

Rebuilding of Iraq

1. How long should the US remain in Iraq? What guidelines or parameters should be established?
2. Should the state of Iraq, as created by the British, remain?
3. Who should pay for the reconstruction of Iraq?
4. What should the US do (if anything) if the majority of Iraqi citizens decide to create an Islamic Republic? President Bush recently stated that he wanted to see a “separation of church and state” in the new Iraq, he has also stated that he wants the people to have a say in their government? Which is more important—in Iraq? In US?
5. What role should the United Nations play?
6. What role should the Arab League play?
