

24.211 Theory of Knowledge

Ninth Assignment

Due Wednesday November 12, 12 Noon

Required Reading

A. Goldman, "What is justified belief?"

Recommended Reading

Feldman, *Epistemology*, 90-93

Questions

In section III, Goldman describes an objection that, he says, "will require some revisions in the theory advanced until now." (8)

State the theory Goldman is referring to.

Then, explain exactly what the objection is.

Do you agree that the theory requires some revisions to answer the objection?
