

## **24.211 Theory of Knowledge**

Fourth Assignment

Due Monday September 29, 12 Noon

### **Required Reading**

A. Goldman, "Discrimination and perceptual knowledge"  
(see link on course web page)

focus on pp 771-780 (first paragraph), 785-787, 790-791

read but do not get stuck on the details of the other pages

### **Recommended Reading**

Feldman, *Epistemology*, 81-86 discusses an earlier,  
related theory of Goldman's.

### **Questions**

Why does Goldman discuss the dachshund example (p 779)?
