Table 1 - Calculation of Number of Radios for Accelerated Acquisition

	# radios required per unit	# units per each preceding command level	Minimum # of Radios required per unit	
Division	1	1	1	
Brigade	1	3	3	
Battalion	1	3	9	
Company	1	5	45	
Platoon	1	3	135	
Squad	1	3	405	
			598	Total per Division
			5980	Total for the 10 Active Army Divisions (Accelerated Procurement Plan)
			6877	Total including 15% spares
			0.064877358	Percent of Cluster 1 radios (2005-2009) versus Total Procurement
