

Charlie Tillett

Charlie Tillett, who graduated with a SM from Sloan in 1991, was CFO of NetScout Systems from 1991 until January 2000. During that time, he completed venture financings for \$6MM and \$45MM as well as an IPO in August 1999. He also had responsibility for budgeting, financial reporting, accounting, HR, and MIS. He is currently consulting to a number of early-stage technology companies.
