

Homework #11

Due for class Th 10/20

- 1) READ Malcolm Gladwell's essay "Java Man." Gladwell writes on science and business for the *New Yorker*. He is the author of the best-selling books *Blink* and *The Tipping Point*. You can find the article at his website:

<http://www.gladwell.com>

Click on The New Yorker Archive and scroll down to July 30, 2001.

- 2) PROPOSALS for Essay 3, the Research Essay, are due: 1 paragraph that tells me:
 - What you want to investigate
 - Why you are interested in this topic
 - What angles or questions (name at least 2-3) you particularly want to investigate.
