

ASSIGNMENT # 5

Controversial News Articles

- Find a controversial article in the newspaper. The article can be about a public agency or a private business that made a mistake (e.g., the Big Dig troubles). (Avoid personal mishaps, wrongdoings, etc. I assume that you won't commit any such offenses in your lifetime).
- Analyze the quotes that are included in the article.
- Look at the first quote.
 - Why do you think this quote was included?
 - Does this quote add information?
 - Does this quote show emotion?
- Ask yourself these questions for each quote included in the article.
