Based on information - What would you do? – Brainstorm

- Deliver site specific interventions to Foshan planners?
- Is it better to do integrated scenarios? – i.e. looking at one site from multiple dimensions v. looking at ‘housing’ or ‘transportation’ overall

Create schedule for the end semester

Today we can either break out into individual groups to debrief with people who went to China, or we can have a group Q & A.

Be final product oriented from this point on!

Wallace would like to have a charette – probably in April.
