

06-Lecture-Fink-Hen-Shep

SURVEY

- 1 (#1) What did you think of p-set #1?
- A Not useful → Too easy
 - B Useful → A good review
 - C Useful → I learned something(s)
 - D Not useful → too hard and/or too much

SURVEY

- 2 (#2) Congress has decided to give \$2K annually to every adult every citizen whose income is below the poverty level. Would you prefer that...
- A The \$2K can be spent only on necessities: *Housing, transportation, food-at-home, clothing, utilities, healthcare, and education*
 - B The \$2K can be spent as desired (unrestricted cash)
 - C No preference
 - D Other (please be prepared to explain)

SURVEY

- 3 (#3) What percent of the \$2K cash benefit do you think Americans below the poverty line would spend on necessities?
Necessities means housing, transportation, food-at-home, clothing, utilities, healthcare, and education
- A 0 - 25 %
 - B 26 - 50%
 - C 51 - 75%
 - D 75 - 100%
- 4 (#4) Approximately what fraction of Massachusetts consumers who qualify for the CommCare insurance subsidy are willing to pay full price (if not subsidized)?
- A 90 - 100%
 - B 50 - 89%
 - C 40 - 49%
 - ☒ < 10%
- 5 (#5) Should Massachusetts "cash out" the CommCare subsidy
- ☒ No, keep as is
 - B Yes, convert to approx \$400 cash
 - C A third alternative (that you will explain)

SURVEY

- 6 (#6) Anyone want to change their vote on whether Massachusetts should "cash out" the CommCare subsidy?
- A Voted to cash out → **Sticking with it**
 - B Voted to cash out → **Change to keep as is**
 - C Voted to keep as is → **Sticking with it**
 - D Voted to keep as is → **Change to cash out**
