

ONLINE SUBMISSION INSTRUCTIONS

To submit your problems online for C&P go to the following website:

<http://cluster-3.mit.edu/unified>

You will be prompted for a username and password. These are your AA-DESIGN username and password (the same ones that let you access the windows copmuters in 33). You may need to include the domain name (AA-DESIGN) when you log on.

Once you enter your password, you will be prompted to select a file to upload. You can browse your computer or just type in the file name, and then click on submit. A message will appear when the file has been sumitted successfully. You can submit a file more than once.

IMPORTANT: You need to name your files in the following manner so that they can be graded.

**ProblemNumber_ProblemPart_Lastname_Firstname.a
db (or .ads)**

For example, Howie would submit the two parts (2 and 4) of problem C3 as:

C3_2_Kleinwaks_Howard.adb

C3_4_Kleinwaks_Howard.adb
