

Exam 2 Review

18.05 Spring 2022

Exam

- You may bring a cheat sheet on one side of an 8 by 11 piece of paper.
- Calculators are not allowed on the exam –they won't be needed.
- Get familiar with the probability tables for Z , t and χ^2 . There are copies with the practice questions for the exam.

Review today

- Cannot cover everything: scan the problems first and work on the ones you feel the most unsure about.
- Practice problems for today are in week 12 on MITx.
- Lots of other practice questions posted on MITx.
