

Midterm Part 1
Homework
21M- 734
Due 11/04/03

Design a light plot for **Voice of the Prairie** in Kresge Little Theatre. Use 1/4" scale. In addition to the light plot itself – your packet of materials should include:

- 1) A list of locales – **all** specific places mentioned in the script
- 2) A list of specials &/or effects
- 3) A list of areas (these are **not locales** per se- but DR, URC, etc.)
- 4) A list of washes – (Down light warm, High side light, etc.)

(do these **prior to drafting** & check them off as you go.)

As you draft, you will compile:

- 1) a channel schedule (I will give a blank one out to you in class)
- 2) Gel choices,
- 3) a magic sheet

If any of this confuses you – ask me about it in class tomorrow.
