

## **Plot adaptation**

Your latest assignment is to redraft **Voice of the Prairie** in a different theatre. I have chosen a theatre that will challenge your experience level. That is, if you have not yet really designed or worked in Little Kresge, you will do so in this assignment, but if you know both la Sala and Little Kresge, you got another space.

Included in your packet you will find: an inventory list, a ground plan and grid plot, and other pertinent information. If there are circuits listed on your plan, then you must figure out the circuiting. (not necessary for Little Kresge).

This assignment includes a new magic sheet, and channel schedule (blanks enclosed)
