

Rehearsal Report
Production: Suburbia

Date: 2/01/08
Rehearsal #: 18

Location: RRA
Stage Manager: Sarah Gumlak/Will Pickeral

Rehearsal Start: 2:04	Lights: Lower the DC Bee-bee special mercury
Rehearsal Break: 2:55	
Rehearsal Start: 3:04	S4 specials for light-box? (You were tossing this idea around, figured I'd make the note.)
Rehearsal Break: 4:38	
Total Rehearsal Time: 00:00	Bulb in light box to control 7-11 sign.
Rehearsal Notes: Today: line cuts!!! Check out extra attachment for line cuts. That's about it. Line through times (no movement, with lines cut) Act 1: 3:04-3:24 Act 2: 3:24-3:56 Act 3: 3:57-4:18 Act 4: 4:18-4:29 Jeff: pay attention to the phone call to Sooze, and where it should end depending on the overlap Memorize your cuts please, folks	Properties: Props are (mostly) organized; please keep them that way and let us know if anything is missing Set: Stabilize pallets Door will be painted red Creamier store paint Consider band entering through elevator when possible... Replace light in elevator
Costumes:	Sound: The computer crashed. Will and Mike stayed for eternity to fix it. We will have sounds.
Schedule: Tomorrow at 2, you will be getting into costume right away; Leslie will be here to help and answer any questions you may have. Want to try some viewpointing around the finished set in costume before start with cueing.	Misc.: Please be patient with us techish people during tech so that we can get through things efficiently. It'll wind up better in the end if you do. Please also be there even if you aren't on; come with work.
