

[KC QUILTY, "CLOTHES"] Ask me once I'll tell you so

I don't want to wear your clothes

Stop

Ask me once, I'll tell you so

I don't want to wear your clothes

Drape my shoulders, cut me and mold

I won't dress in clothes you chose

Sow your guard and let it grow

I won't stoop to sow your oats

Spots like leopard, who could know

You'll know horror's not your [? bone ?]

[DISTORTED VOCALIZATIONS]

[COUGH]

[INAUDIBLE] and wear your clothes

[DISTORTED VOCALS]

[INAUDIBLE]

I can't see your [INAUDIBLE]

Find myself a heart though I've never been [? shown ?]

So I can disinfect [? popularity ?] [? hope ?]

[INAUDIBLE]

Love me if I love you so

Take care of [INAUDIBLE]

I don't want to wear your clothes
