

**Application For Permission to Register For  
5.301: Chemistry Techniques Laboratory January 2013**

*Students selected for this course are guaranteed a UROP in the Chemistry Department for the Spring or Summer 2013, however, this course is not a Prereq for a Chemistry UROP.*

**NOTE:** 5.301 will meet during IAP (1/08/13 – 1/28/13) M to F 10:00AM to 6:00 PM. **Please do not apply for 5.301 if you have a scheduling conflict with any of the laboratory/lecture times including Fridays.**

**Name:**

**MIT ID #:**

**Address:**

**Cell Phone:**

**E-Mail Address:**

**Courses Taken Fall, 2012:**

**Courses Planned Spring, 2013:**

**What major(s) are you currently considering? Why?**

**Are you interested in pursuing a UROP position in the chemistry department? If so, please list three different chemistry faculty members whose research interests you.** *(You can learn more about the different research groups in the MIT Department of Chemistry at <http://web.mit.edu/chemistry/www/faculty/research.html>)*

**What type of chemistry experience have you had outside of MIT (high school, internships)? If you don't have any outside experience, why are you interested in getting experience in the chemistry laboratory?**

**Do you have laboratory experience in other fields? If yes, please describe.**

**Besides a UROP, what do you hope to gain from your 5.301 experience?**
