• Official transactions – deconstruct systems requirements so that it works well for people.

• ‘Electronic Signature’ – how do you define this?
  o It’s ambiguous.
  o Piece of info that can identify you – but more than this.
  o Highly personalized registration mark.
  o Some action that you do.
  o ‘Common Law’ definition: any symbol or method executed or adopted by a person with an attempt to authenticate or intend to be bound by a record. (‘/S/’ Dan Greenwood).
  o Electronic – “electronic sound, symbol or process attached to or logically associated with a record executed or adopted by a person with the intent to sign the record.”
  o What if you are ‘crazy’?
