Transmedia Storytelling – Session 3

If you like, next class bring – blank paper, colored pencils, graph paper

World Building 1 – (Hunger Games & Zombies, Run)

Elements of a world –
- geology – astronomy – spaceship?
- geography
- resources
- climate
- population(s)
- societies
- governments(s)

**economics !!!**
- back to resources-
  - food
  - energy

- Is it Earth? If yes, when? (extrapolate)
  - If no – where? What?
    - What conditions?
  - Who lives there?
  - What there are there?

Downside of worldbuilding – Too much fun!

What do we **recognize**?

Hunger Games -
- What is the world?
- How much do we understand from these first chapters?
- How does Collins introduce us to Panem?
- District 12 vs. train vs. Capitol
- District 12 vs. train vs. Capitol
- 3 places pieces of world
  - plus other Districts

Zombies, Run –
- What do we know of this world?
- What are the economics?

What do these worlds have in common?
