Lesson plan, Prototypes to Products, week 8, Tuesday

M1 Design review preparation

Props
Paper to layout poster boards

Handouts:

Logistics

Activities

- Meeting the five most valuable people “how to pitch our design review”
- Make sure we don’t waste their time or ours
- Make sure to bring the prototype as well
- Elevator speech
- What would you want to hear about if you were a reviewer?
- What kind of feedback do you want?
- These people might be giving you money at the end of the semester

Brainstorm what to put on poster boards

<table>
<thead>
<tr>
<th>Goal of project</th>
<th>(new for next year, review “what will make this project successful” from start of class)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Customer</td>
<td></td>
</tr>
<tr>
<td>Accomplished to date</td>
<td></td>
</tr>
<tr>
<td>Plans for rest of semester</td>
<td></td>
</tr>
</tbody>
</table>

Optional activity

Homework
Bring in poster boards if you want feedback on Thursday
