Pre-Lab Exercises
Lab #7: Electrophoresis
MIT Nanomaker_Spring 2013

1) Watch the Electrophoresis tutorial from the Gel Electrophoresis Virtual Lab.
   http://learn.genetics.utah.edu/content/labs/gel/

2) What are other applications of Agarose (Agar)?

3) What other solution can be used as the buffer?

4) List a few examples of electrophoresis besides DNA analysis:

Weekly Challenge: Extract DNA from strawberries.
