question some think of german reunification as an annexation of the former GDR. do you agree?

here are some links about the green party

http://www.8ung.at/egak/n-danke.htm
http://www.gruene.de/ jugend

rudolf bahro was a prominent member of the greens

question does he want a third superpower in europe?

what's his stance on nationalism?

    why? withdraw from nato... arms race

    sickness of the totality

RB is against industry, against exterminism

question is he green or red?

what does he say about german unification?
