Dr. Kristian Olson

Dr. Olson is the Program Leader of Global Health Initiative at Center of Integration of Medicine and Innovative Technology (CIMIT). He is on staff at the Massachusetts General Hospital as an Inpatient Clinical Educator in the Department of Medicine. He trained in the Harvard Combined Program in Internal Medicine and Pediatrics. He attended medical school at Vanderbilt University and, in 1996, was a US Fulbright Scholar to Australia where he completed a Masters of Public Health Degree in Epidemiology and International Health. In 2003, Dr. Olson was the first Thomas S. Durant Fellow in Refugee Medicine during which he obtained a Diploma in Tropical Medicine and Hygiene in London before spending most of 2003 working in refugee camps along the Thai-Burmese Border. He worked with the American Refugee Committee in Darfur, Sudan in January and February of 2005. In the Fall of 2005, he took a health consulting position with the International Organization of Migration (IOM) in Tsunami-affected regions of Sumatra.
