

MAS450/854 schedule information sheet

Name:

Term Address:

Phone:

Email:

Student/registration status, including course/major and year:

Are you taking MAS450/854 for credit?

At this point, what's the percent probability you'll stay in MAS450/854?

Check the type of computer operating system you have regular access to:

MS Windows Mac (9.x) MacOS X (>=10.2) Linux (RHat) Solaris

On the back of this sheet please write about your interests related to holography, as well as any other information you think we should know.

To help us determine lab slots, please check off the following boxes to indicate lab times. This is not a binding process; final lab assignments will be done in class Thursday. Mark as many boxes as possible; greater flexibility means a greater chance of getting into a lab section.

- means it's a preferred time for you
- means it's a time you can make, but don't prefer
- means that you absolutely can't make it

Day/Time	Mon	Tues	Wed	Thurs	Fri	Sat
9-1						
1-5						
7-11						

(If you can't make an exact time (say, Tuesday 1-5), but can make a time during that part of the day (say, Tuesday 2-6), put the time you can attend in the box with the mark.)
