

# PerCap Financial

1. **WHAT** = Structuring & supporting the Percapitization of nationalized & other State assets;
2. **WHY** = US\$ Trillions of potentially privatized assets & realized value but substantial political resistance;
3. **HOW** = Systematic securitization & distribution Per Capita of assets; creation of mutual fund & portfolios;
4. **OPEN** = Draw lessons from Singapore & Russia; Financial reality? More a consultancy vs financial service?
