Homework 2  
2.18/2.180  
Due Wednesday February 25 at beginning of class

This problem set is a very short practice for becoming familiar with transcription/translation models. Problems with a star (*) are for graduate students only. For Problem 2 and 3, the Monday lecture will be useful.

**Problem 1:** (3 points) Exercise 2.6

**Problem 2:** (3 points) Exercise 2.8

**Problem 3**: (3 points) Exercise 2.10
