1 Materials to study

2 Questions to respond to

1. Provide a table of all microphones that are mentioned in the article, listing the following information for each:
   - Manufacturer
   - Full model name
   - Transducer type
   - Polar pattern
   - Approximate price (do research online)
   - Available in our MOBILE Sound System (yes/no)? Consult the M0SS inventory (Ariza 2012), which is available in the Materials section of our course’s Learning Modules site.

2. Would you agree that the music industry is a male-dominated industry? If so, what do you think might be the reasons for this? Is there any direct relation to the gender (im)balance in 21M.380? How does your opinion on this subject relate to Sylvia Massy Shivy’s views?

3 Guidelines

- Your answers need not be very extensive (a short paragraph per question is enough), but they should demonstrate that you have actually read the article and understood its main points.
• Be concise and pay attention to form, grammar, and spelling.
