**Lights:**
- Scaf has been spiked, and the cyc light closest to the stage left elevator door was moved to accommodate it; refocus please (sorry!)

**Properties:**
- We have guitar/case/strap/strings, and Yoni will restring it
- 2 swiss roll packets replaced by those who consumed them
- 2 fortune cookies were consumed by Bee-bee in 3.7 (one in each run of it)

**Set:**
- Yay, parking lot is started
- Need stack of pallets next to dumpster (like what is onstage now) that looks haphazard but is structurally reinforced so it does not wobble like the current ones do.

**Costumes:**

**Sound:**
- Matt and Yoni meeting at 9.
- Peter: David would like a CD of the music we have thusfar, if at all possible

**Schedule:**
- Tomorrow is a full run with food and all props, 2-5 (before the prod meeting that you should all come to!)

**Misc.:**
- Actors, please don’t mess with stuff backstage that isn’t yours, unless you feel like cleaning paintbrushes (and even then, please ask me first)
