**Rehearsal Notes:**
- I have a Preset list, I just have to type it, hurray!
- Trashcan, and anything else that moves should be spiked.
- Jeff, you need to give Buff a little push on pg. 12 after "Let's go!"
- If something is spilling out, please pick it up.
- No seriously, if something is spilling, pick it up, don't just stare at it.
- It's way too late in the process to be stopping the run. If something is screwed up, fix it.
- If you have a line that gets cut off, don’t stop talking until you are actually cut off.
- Strike all hockey gear between Act I and II
- You can drop the tops of the beer bottles, you don't need to hang on to them.
- Hey, can we not throw the rice into the store, it doesn't have a roof, and never will.
- SR trashcan is usable.
- Coffee is hot, act like it.
- Tim, don't actually shot the gun.
- Line notes are attached.

**Properties:**
- Can we replace the revolver with a more contemporary gun please?
- Cash Register needs to be plugged in.
- Thanks for having everything ready for today.

**Set:**
- It looks so pretty!
- We need to spike and glow tape where necessary.

**Costumes:**
- Thanks for taking care of Jeff's Wallet.

**Sound:**

**Schedule:**
- Sign up for Res Booth hours please!
- Karen, Eric, and Mike will be in space tomorrow at 9:00. Please come if you are available, even if it's just for an hour or 2.

**Misc.:**
- Hey for anyone new: if a call is given, such as 5 minutes, the proper response is "Thank you 5 minutes". Nothing more, nothing less. Please do not tell me we actually have 6 minutes.
