Intro activity - Effective Meeting with Advisors

Reflect on a recent meeting with an advisor (e.g. weekly research update, group meeting, etc.)

(A) Did you feel that your advisor was always on the same page as you? If not, briefly mention the topic of your miscommunication.

(B) Did you feel confused at any point during the meeting? If so, briefly mention the topic of your confusion and how you went about communicating your confusion to your advisor (if you did).

(C) Did you feel like you disagreed with some of your advisor's suggestions? If so, briefly mention the topic of your disagreement. Did you feel comfortable communicating your disagreement(s) with your advisor?

(D) What general communication strategies seemed to work best for communicating technical content with your advisor?
