15.598, Assignment 13

Read the following:

2. Carr, NG, "I/t doesn't Matter" HBR, May 2003, pp 41-49. (from library or other sources on your own)

3. "Technology Hits a Midlife Bump" New York Times (attached)

Based on these articles and a summary of your final papers, we will wrap up the topics and speakers inputs of the course in the context of our model of the role of IT in business.
