

Creative Thinking in Digital Cities - Application8b1: Generate ideas from implicit assumptions

This is an individual assignment. Once you submit this form, you will receive a copy of your responses to your email address.

You may use the following resources for this assignment:

- Your responses to Application7, specifically your problem statement
- Every team member's assumptions created in Application8a1

You are not allowed to use any additional resources. You are not allowed to use generative AI.

A creative idea is both original and useful.

An original idea is one that is rare, novel, or surprising.

A useful idea is that is effective or valuable.

* Indicates required question

1. Email *

2. Your first name and last name *

3. A creative idea inspired by challenging one or more implicit assumptions on your team's list. *

In this stage of the problem-solving process, emphasize originality over usefulness.

4. Another, different creative idea inspired by challenging one or more implicit assumptions on your team's list. *

In this stage of the problem-solving process, emphasize originality over usefulness.
