

# Creative Thinking in Digital Cities - Application8b2: Generate ideas from analogies

This is an individual assignment. Once you submit this form, you will receive a copy of your responses to your email address.

You may use the following resources for this assignment:

- Your responses to Application7, specifically your problem statement
- Every team member's analogies created in Application8a2

You are not allowed to use any additional resources.

You are not allowed to use generative AI.

*A creative idea is both original and useful.*

*An original idea is one that is rare, novel, or surprising.*

*A useful idea is that is effective or valuable.*

---

\* Indicates required question

1. Email \*

---

2. Your first name and last name \*

---

3. A creative idea inspired by one or more analogies on your team's list. \*

In this stage of the problem-solving process, emphasize originality over usefulness.

---

---

---

---

---

4. Another, different creative idea inspired by one or more analogies on your team's list. \*

In this stage of the problem-solving process, emphasize originality over usefulness.
