

Making - Application13: Mold and cast a wooden figurine

This is an individual assignment. Once you submit this form, you will receive a copy of your responses to your email address.

Please submit this form only after you have created the final product (the figurine cast).

Before handling the activity materials, make sure that you have:

- All the required materials
- Watched both tutorial videos
- Read through all the product data sheets

You may use the following resources, and only these resources, for this assignment:

- Making - Application13: Tutorial videos
- Making - Application13: Product data sheets
- Making - Application13: List of materials for one activity kit

You are not allowed to use any additional resources.

You are not allowed to use generative AI.

* Indicates required question

1. Email *

2. Your first name and last name *

3. I have read the data sheets for the modeling clay, aljasafe, and plaster. *

Mark only one oval.

☐ Yes

4. Looking at your final product (plaster figurine), what would you say turned out well? *

5. Looking at your final product, what would you say could have turned out better, if anything?

6. Did you find any steps in the process of making the figurine challenging to execute? If so, which steps were those and what did you find challenging? *

7. Given another opportunity to repeat the same exercise, with the same materials and equipment, would you do anything differently? If so, what would you do instead? *

8. Was there any equipment that you did not have access to and would have helped you with the assignment? *

9. Did you enjoy this exercise? *

Mark only one oval.
