ASSIGNMENT # 5

_controversial News Articles_

- Find a controversial article in the newspaper. The article can be about a public agency or a private business that made a mistake (e.g., the Big Dig troubles). (Avoid personal mishaps, wrongdoings, etc. I assume that you won’t commit any such offenses in your lifetime).

- Analyze the quotes that are included in the article.

- Look at the first quote.
  - Why do you think this quote was included?
  - Does this quote add information?
  - Does this quote show emotion?

- Ask yourself these questions for each quote included in the article.
